To Whom It May Concern,

I am pleased to offer my highest recommendation for Omni Energy Partners as a performance contractor. As Superintendent of the Nauvoo-Colusa School District, I have had the opportunity to work closely with Omni Energy Partners, and I can confidently say that their expertise and dedication have had a significant positive impact on our district.

Performance Contracting makes school facility renovations much easier on the District. Omni Energy Partners has been a "one-stop shop" solution that simplifies the process and frankly saves us money. Working with them allows us to focus on our efforts as educators. We are not required to deal with the hassles of coordinating multiple contractors. Throughout our project, their team maintained clear and open communication, ensuring all stakeholders were informed and confident in the process. Everything was scheduled out perfectly, and work was completed on time. The contractors were easy to work with and when they said they would be there, they were there. I appreciated the responsiveness of the entire Omni team. We were also able to address Health Life Safety(HLS) items efficiently.

Our experience with Omni Energy Partners has been outstanding, and I strongly encourage any organization in need of a performance contractor to consider their services. Their dedication to excellence, cost-effectiveness, and customer satisfaction makes them a valuable partner for any energy efficiency initiative. They take pride in delivering high-quality projects that meet the needs of their clients.

If you have any questions or require further details about our experience with Omni Energy Partners, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Mark Scott".

Mark Scott

Superintendent  
Nauvoo-Colusa School District
